Approach & Attitude

- patience is a virtue!
- sleep!
- ask questions
- everything is available on the website after the course
- have fun!
- make new friends, collaborators, connections
- help your neighbour!

Code of conduct

EVOMICS WORKSHOPS CODE OF CONDUCT

All attendees, instructors and faculty at our workshops are required to agree with the Evomics Workshops code of conduct. Organisers will enforce this code throughout the event. We expect cooperation from all participants to help ensure a safe environment for everybody. Those found to be in violation of this code of conduct will be subject to expulsion from all Workshop activities at the request of the workshop organisers.

Our Code of Conduct

Our workshops are dedicated to providing a supportive and harassment-free environment for everyone, regardless of gender, gender identity and expression, age, sexual orientation, disability, physical appearance, body size, race, ethnicity, religion (or lack thereof), or technology choices. We do not tolerate harassment of conference participants, instructors or faculty in any form.

Harassment includes offensive verbal comments, sexual images in public spaces, deliberate intimidation, stalking, following, harassing photography or recording, sustained disruption of talks or other events, inappropriate physical contact, deliberate behaviour to exclude, intimidate, or cause discomfort, and unwelcome sexual attention. This applies to any workshop venue, including talks, workshops, social events, parties, slack, Facebook, Twitter and other online media, and any other non-official events or activities taking place over the duration of the workshop.

If anyone engages in harassing behaviour, the organisers may take any action they deem appropriate, ranging from warning the offender or expulsion from the workshop without a refund. This includes the storage of personal information pertinent to the incident.

If you are being harassed, notice that someone else is being harassed, or have any other related concerns, please contact a member of the organising team immediately.

House of Prelate (computer lab)

Where we will spend a lot of our time!

House of Prelate (computer lab)

- One of the oldest buildings in Krumlov (second half of 14th Century)
 - Has at several times been a brewery (1596 - 1865)
- Fully wired and wireless internet available
- Power for charging laptops

House of Prelate (computer lab)

RULES:

- No food or drink allowed inside
- Wipe feet before entering
- Coats in the coatroom
- Do not touch the walls! (the painter died in 1791)
- Strict arrival / departure times
- Wash your own mugs (we will have time to personalise them)

Other Stuff

The main bridge is closed!

- [Map](#) of the 2024 changes in Český Krumlov due to the bridge reparation.

Today we will show you the main workshop locations and take the group photo!

Please wear your name badge

- it's nice to know each other's names!
- partner restaurants will only give you discount if you have your badge!
- we have pens available for decorating them - be creative :)

Post-lab discussions

- we have a specified bar booked every night
- great opportunity to meet with faculty in an informal environment
- non-alcoholic drinks are also available
- bars are also indicated in the workshop map

T-shirt competition

As is tradition, we will be having a T-shirt competition!

- submit a T-shirt design for Workshop on Genomics fame and glory!
- winner will also receive a special gift from the town
- deadline: Friday 12th Jan (14.00)

BINGO #evomics2024

Workshop on Genomics 2024 BINGO! #evomics2024				
See someone asleep in lecture	Contribute to the t-shirt competition	Join a faculty lunch	Personalize your name badge	Do some exercise

Genomics Glossary

- [Genomics Glossary](#) - terms commonly used when we talk about genomics science
 - we have put together a list of the most common genomics terms
 - add to this Google sheet any terms you hear and are unsure of what they mean
 - you can either google the definition and add it yourself or a member of the team will add it for you

Dreams, Fantasy Dreams, and Genomics

Tonight: 19.30 - 22.00 at the Krumlov Mill

- helps us get to know each other!
- find friends / collaborators
- identify shared interests
- some fun activities planned :)
