workshop on phylogenomics

Český Krumlov
January 20 – February 2, 2019

objectives

- information about settings and logistics
- workshop background and history
- establishing expectations
- miscellany

f.a.q.

- where are the restrooms?
- coffee breaks?
  - approx. 10:00 in the Theatre Cafe
  - anytime in House of Prelate (Computer Lab)
  - functional coffee and tea only. No half-calf-decaf-double-mocha-pour-over-late's!
- where and when to eat?
  - information from Daniel Kintzl
  - ask the team
  - times: 12-14, 17-19
  - late night dining options are limited

what is a Cheskie Kroomlav?

CZECH REPUBLIC

why Český Krumlov?

- reasonably priced
- relatively close to major airports
- three I’s
    - Isolated
    - Idyllic
    - Infrastructure
- support from the local community

concept

Week 1: Fundamentals

UNIX

Multiple Sequence Alignment

Finding Orthologs

Building Data Matrices

Visualizing Trees

Methods & Software

RAxML
IQTree
Phylobayes

Concatenation

Coalescence

Phylogenetic Networks

Week 2: Major Research Directions

Molecular Dating

Genome Evolution

Evolution of Eukaryotes

Trait Evolution and Ancestral Trait Reconstruction

Gene Family Evolution

Detecting HGT

schedule in detail

http://evomics.org/workshops/2019-workshop-on-phylogenomics-cesky-krumlov/

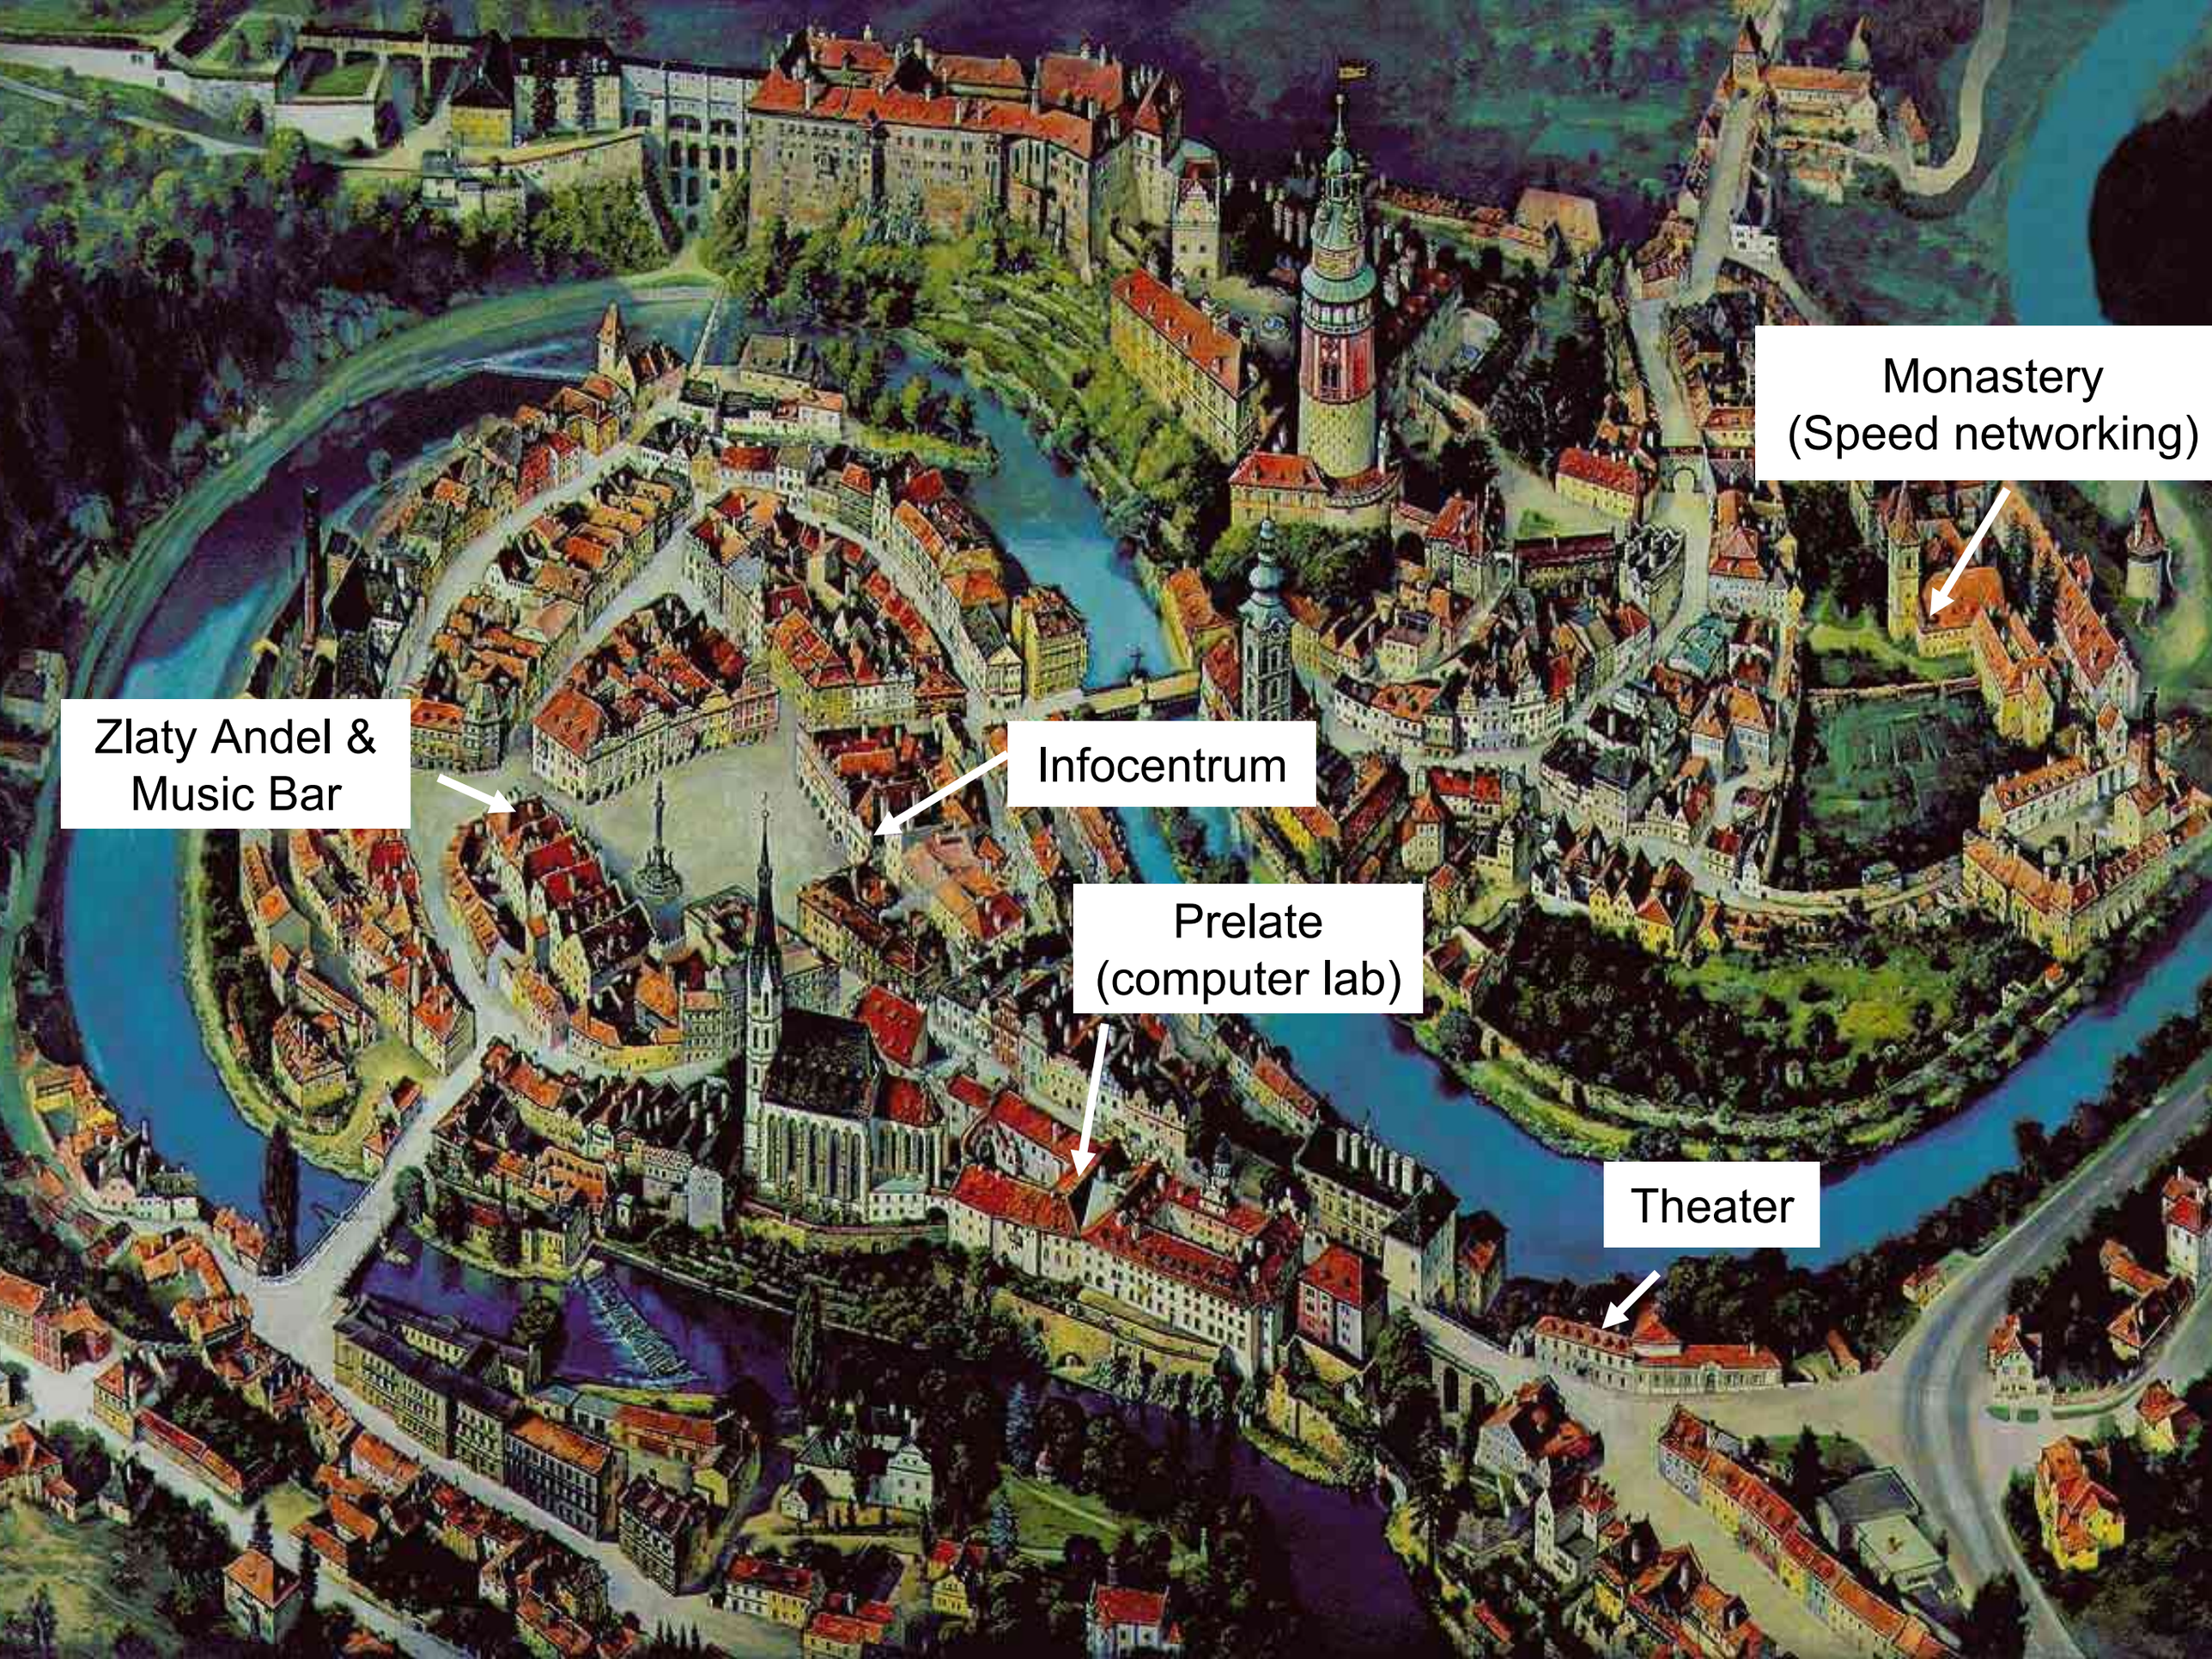
social events

- Saturday
  - meet at 18:00 in the Town Square for a group tour of Český Krumlov
  - tour will finish at Depot for dinner (on us!)
- Sunday
  - free day. More information from Daniel Kintzl shortly
- Friday
  - you plan end-of-workshop dinner / party

communication during the workshop

- website: http://evomics.org
- twitter: #evomics2019
- facebook: Workshop on Phylogenomics
- slack: phylogenomics2019.slack.com

key locations



Monastery
(Speed networking)
Zlaty Andel &
Music Bar
Infocentrum
Prelate
(computer lab)
Theater

expectations

phenomena

- exhaustion
  - watch your health
    - stay hydrated
    - let a staff member know if you are not feeling well
- frustrations
  - you will likely not finish every step of every exercise
  - application bugs, connectivity issues
- you will not become an expert in 2 weeks

approach and attitude

- patience!
  - we have 2 weeks together!
- sleep
- ask questions (Slack)
- everything will be available on the web after the course is over
- You will get a certificate at the end of the course (if you need a custom form, please let Scott know after the end of the course
- have fun, make new friends and colleagues, enjoy Krumlov
- **WORK WITH YOUR NEIGHBORS**

Won’t you be my neighbor?

```
awk '{print $3 “/t’ $4}' text.txt
```

Thanks neighbor

computer lab

- dates back to the 2nd half of the 14th century (Gothic period)
- one of the oldest buildings in Krumlov
- has housed several breweries between the 1596 - 1865
- important for us:
  - fully wired and wireless internet
  - power distribution

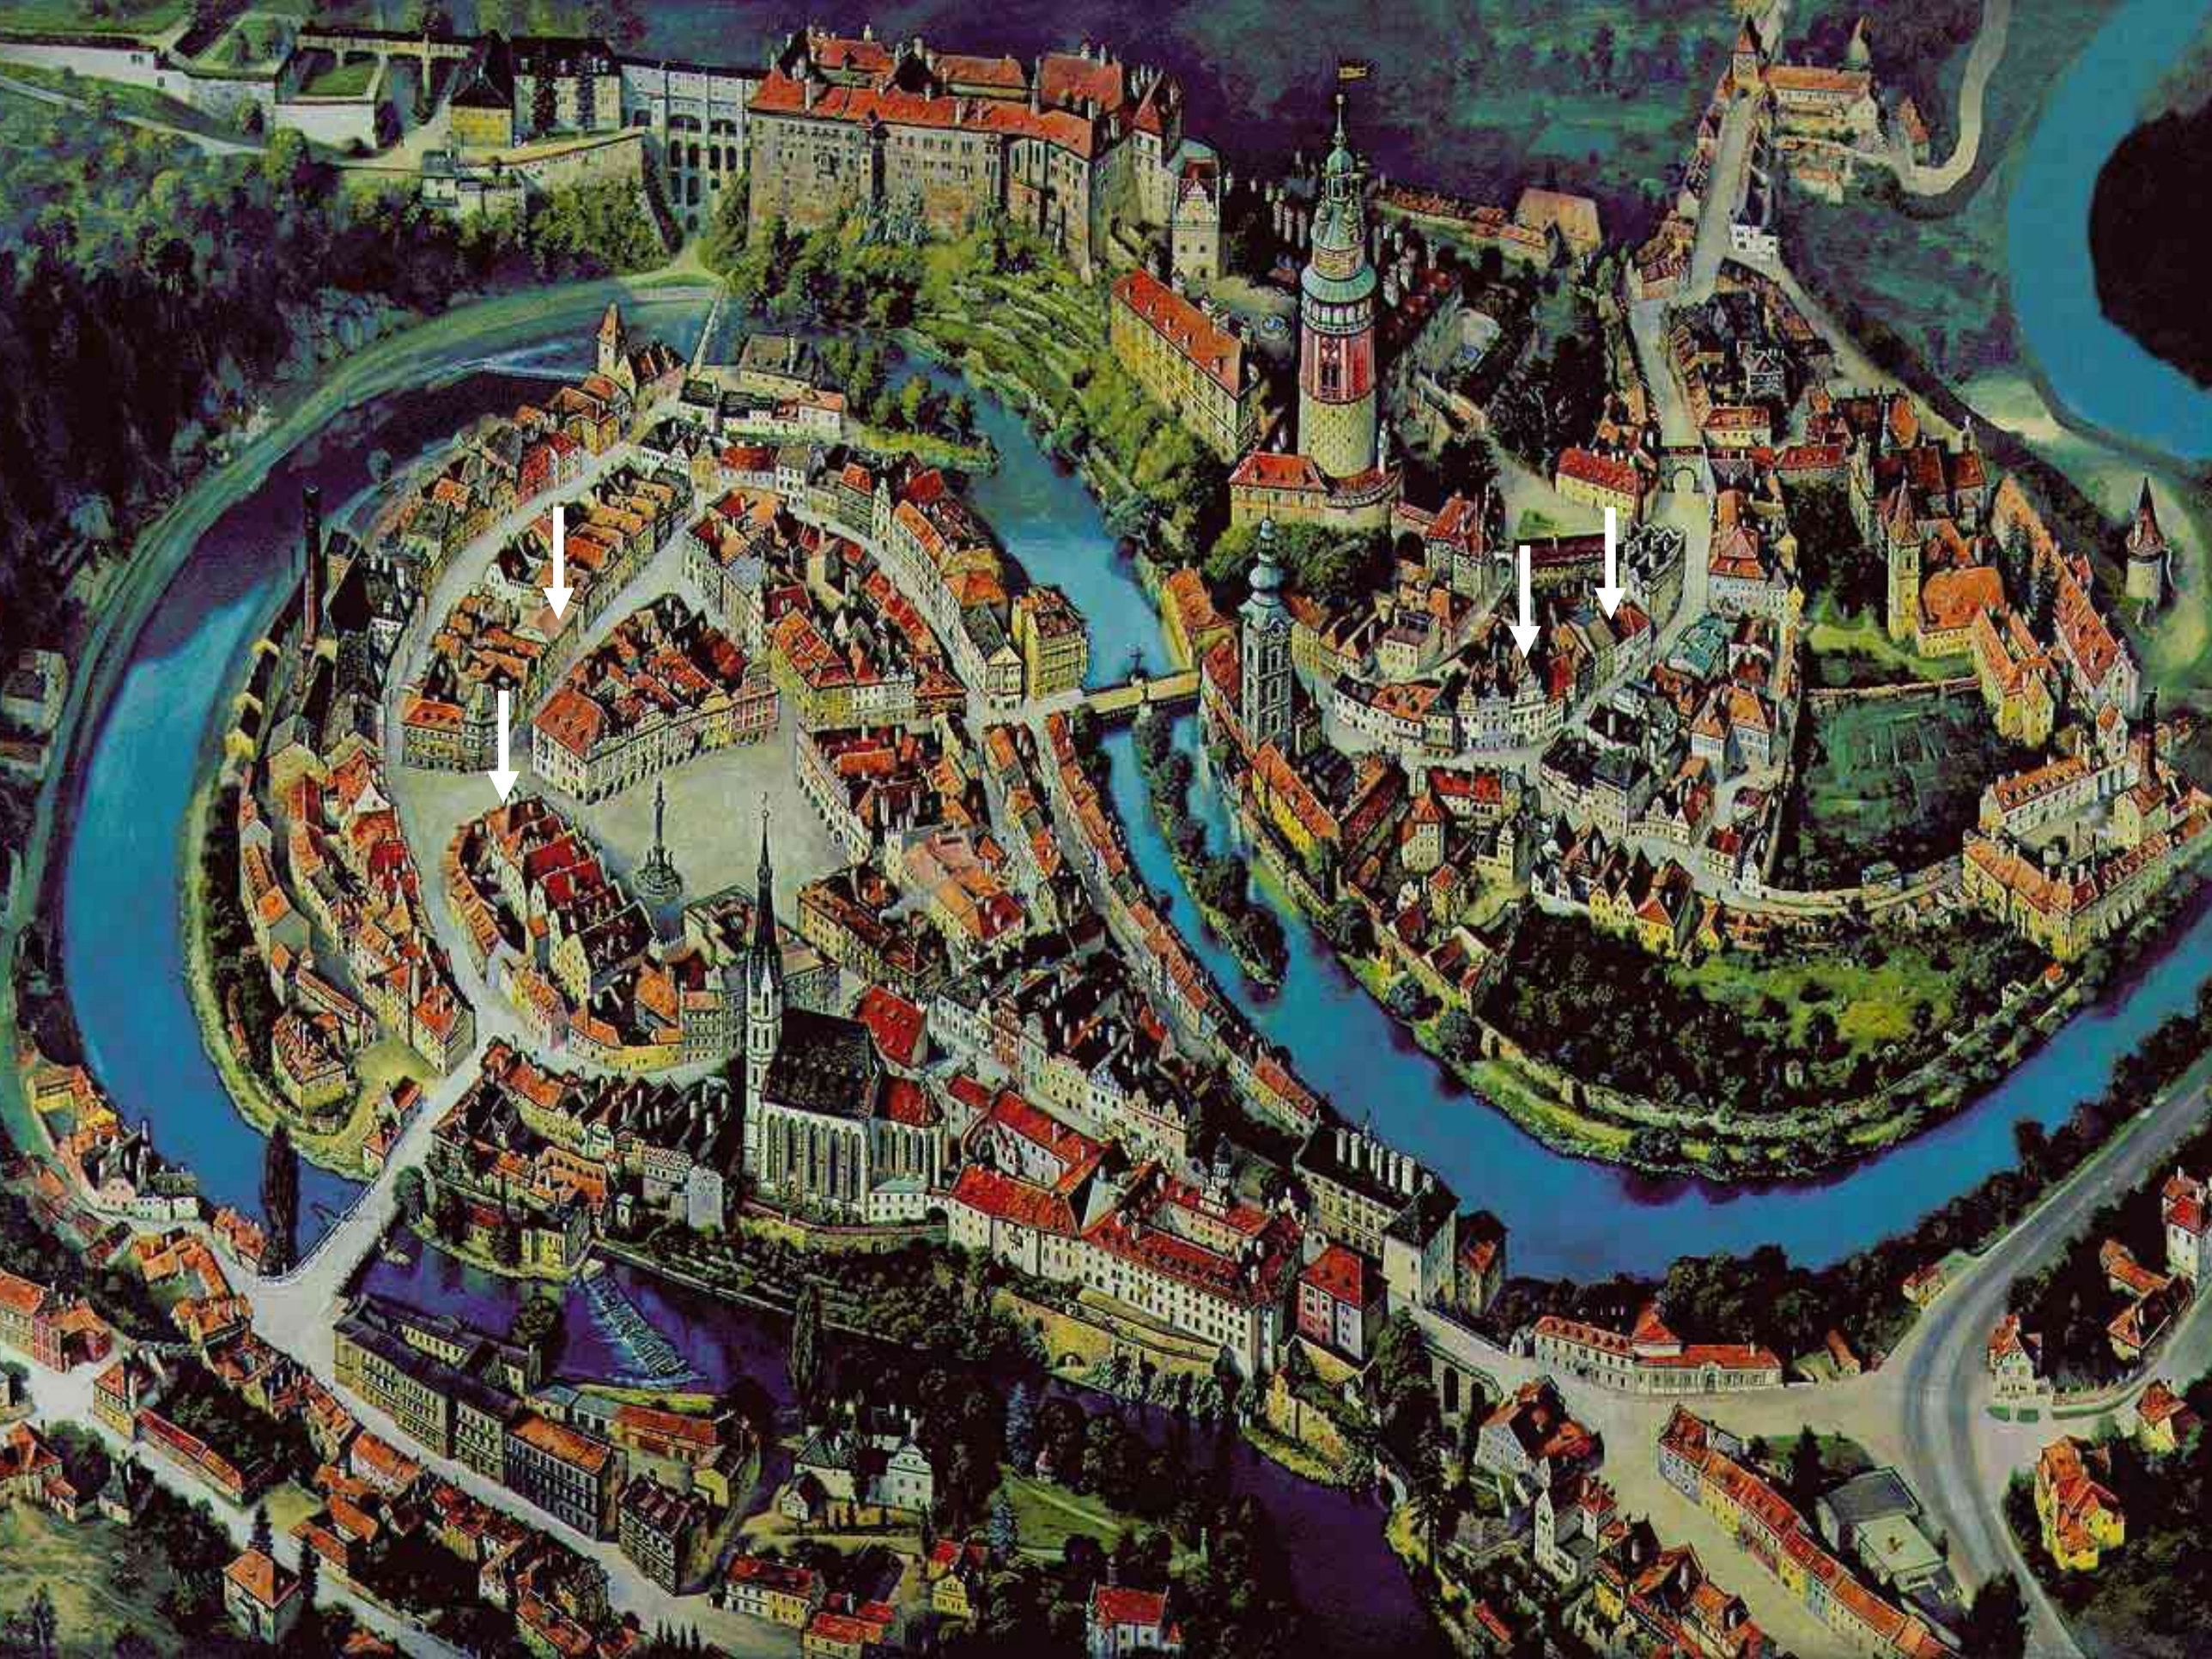
lab policy

- no food or drink inside the computer hall
- wipe feet before entering
- coats in the coatroom
- do not touch the walls (frescoes) - painter died in 1791
- strict arrival and departure times
- wash your own coffee mugs

post lab discussions

- important feature of the Workshop

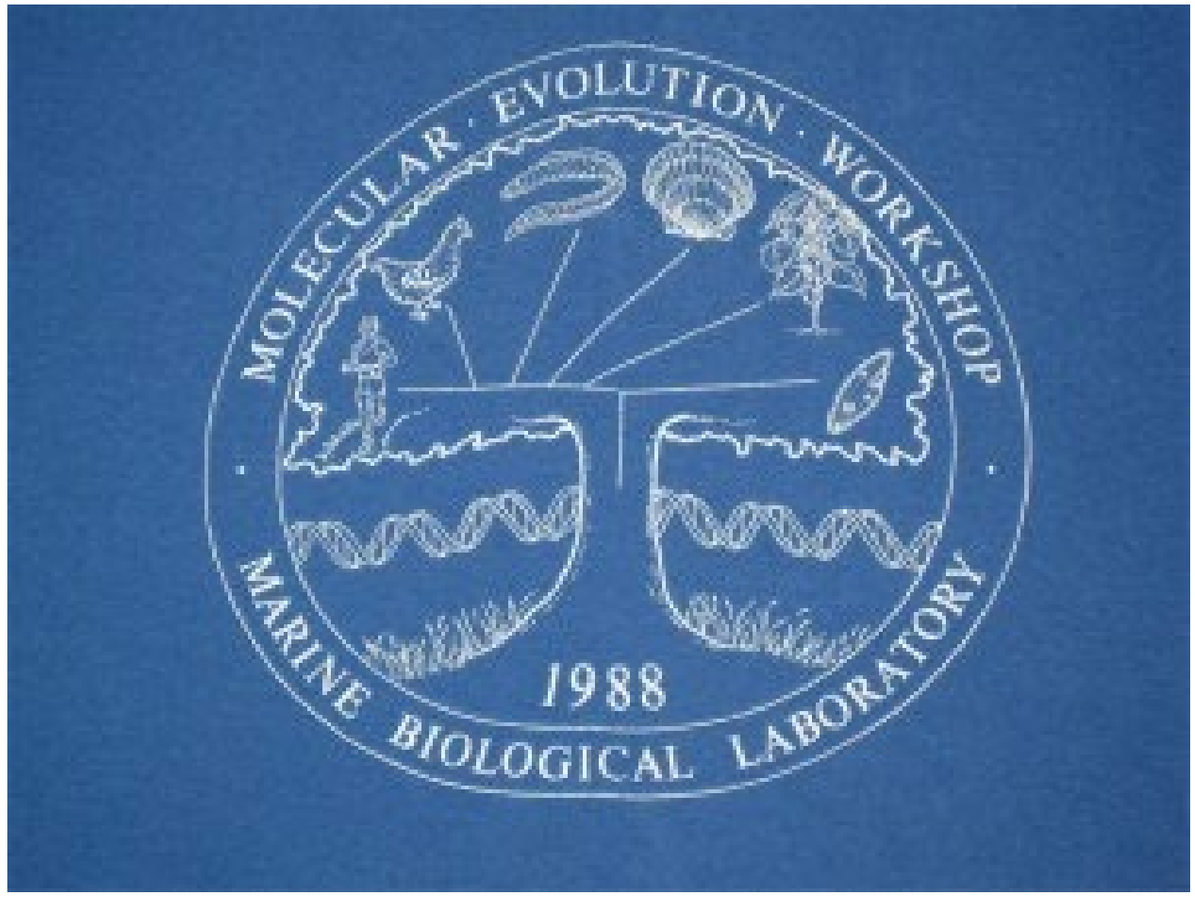
- Music bar (tonight), Festi Bar, Zappa Bar, Apotheka



miscellany

t-shirt competition

- top design (pdf please!) will be awarded with a special gift from the town
- **submit by THURSDAY, 24-January!**



Miscellaneous

- Instance Addresses
- Faculty lunch
- Scientific speed networking
- T-shirt competition

- **New this year: make your own mug**

workshop BINGO

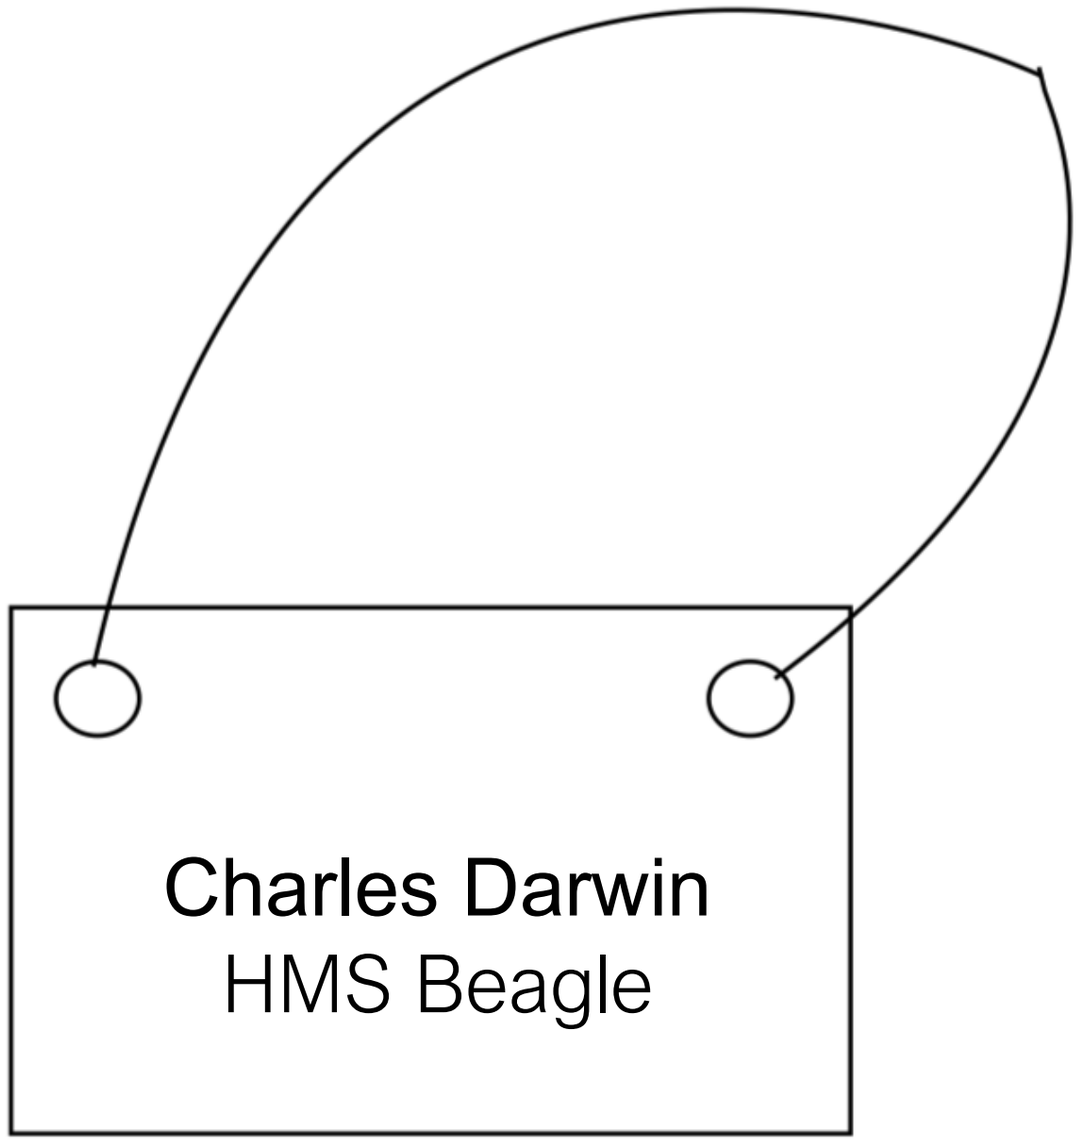
Workshop on Phylogenomics 2019 **BINGO!** #evomics2019				
Contributed to T-shirt competition	fortune | cowsay	Did Yoga or Castle Run	Had Trdelnik	Worn name tag visible every day
Tweeted using #evomics2019	Had pivo with a faculty	Asked a question to one of the talks or practicals	Found who of the course organizers has Czech ancestors	Internet went down during exercise
Ate at Meat Dungeon	Learned 5 Czech words	Registration party!	Proposed a discussion topic for Open Lab	Stayed in the pub longer than Toni
Danced with one of the TAs	Found out nationality of instructors / directors	Learned 25 people's names	Helped neighbour with exercise	Tried Becherovka or Ginger tea
Joined instructors / directors for a tea/coffee	Attended workshop dinner & party on Jan 26	Joined one of the faculty lunches	Seen someone asleep during lecture	Ate soup in a breadbowl

scientific speed networking

- tonight: Monastery (19:15 – go straight there or meet at Infocentrum at 19:00)

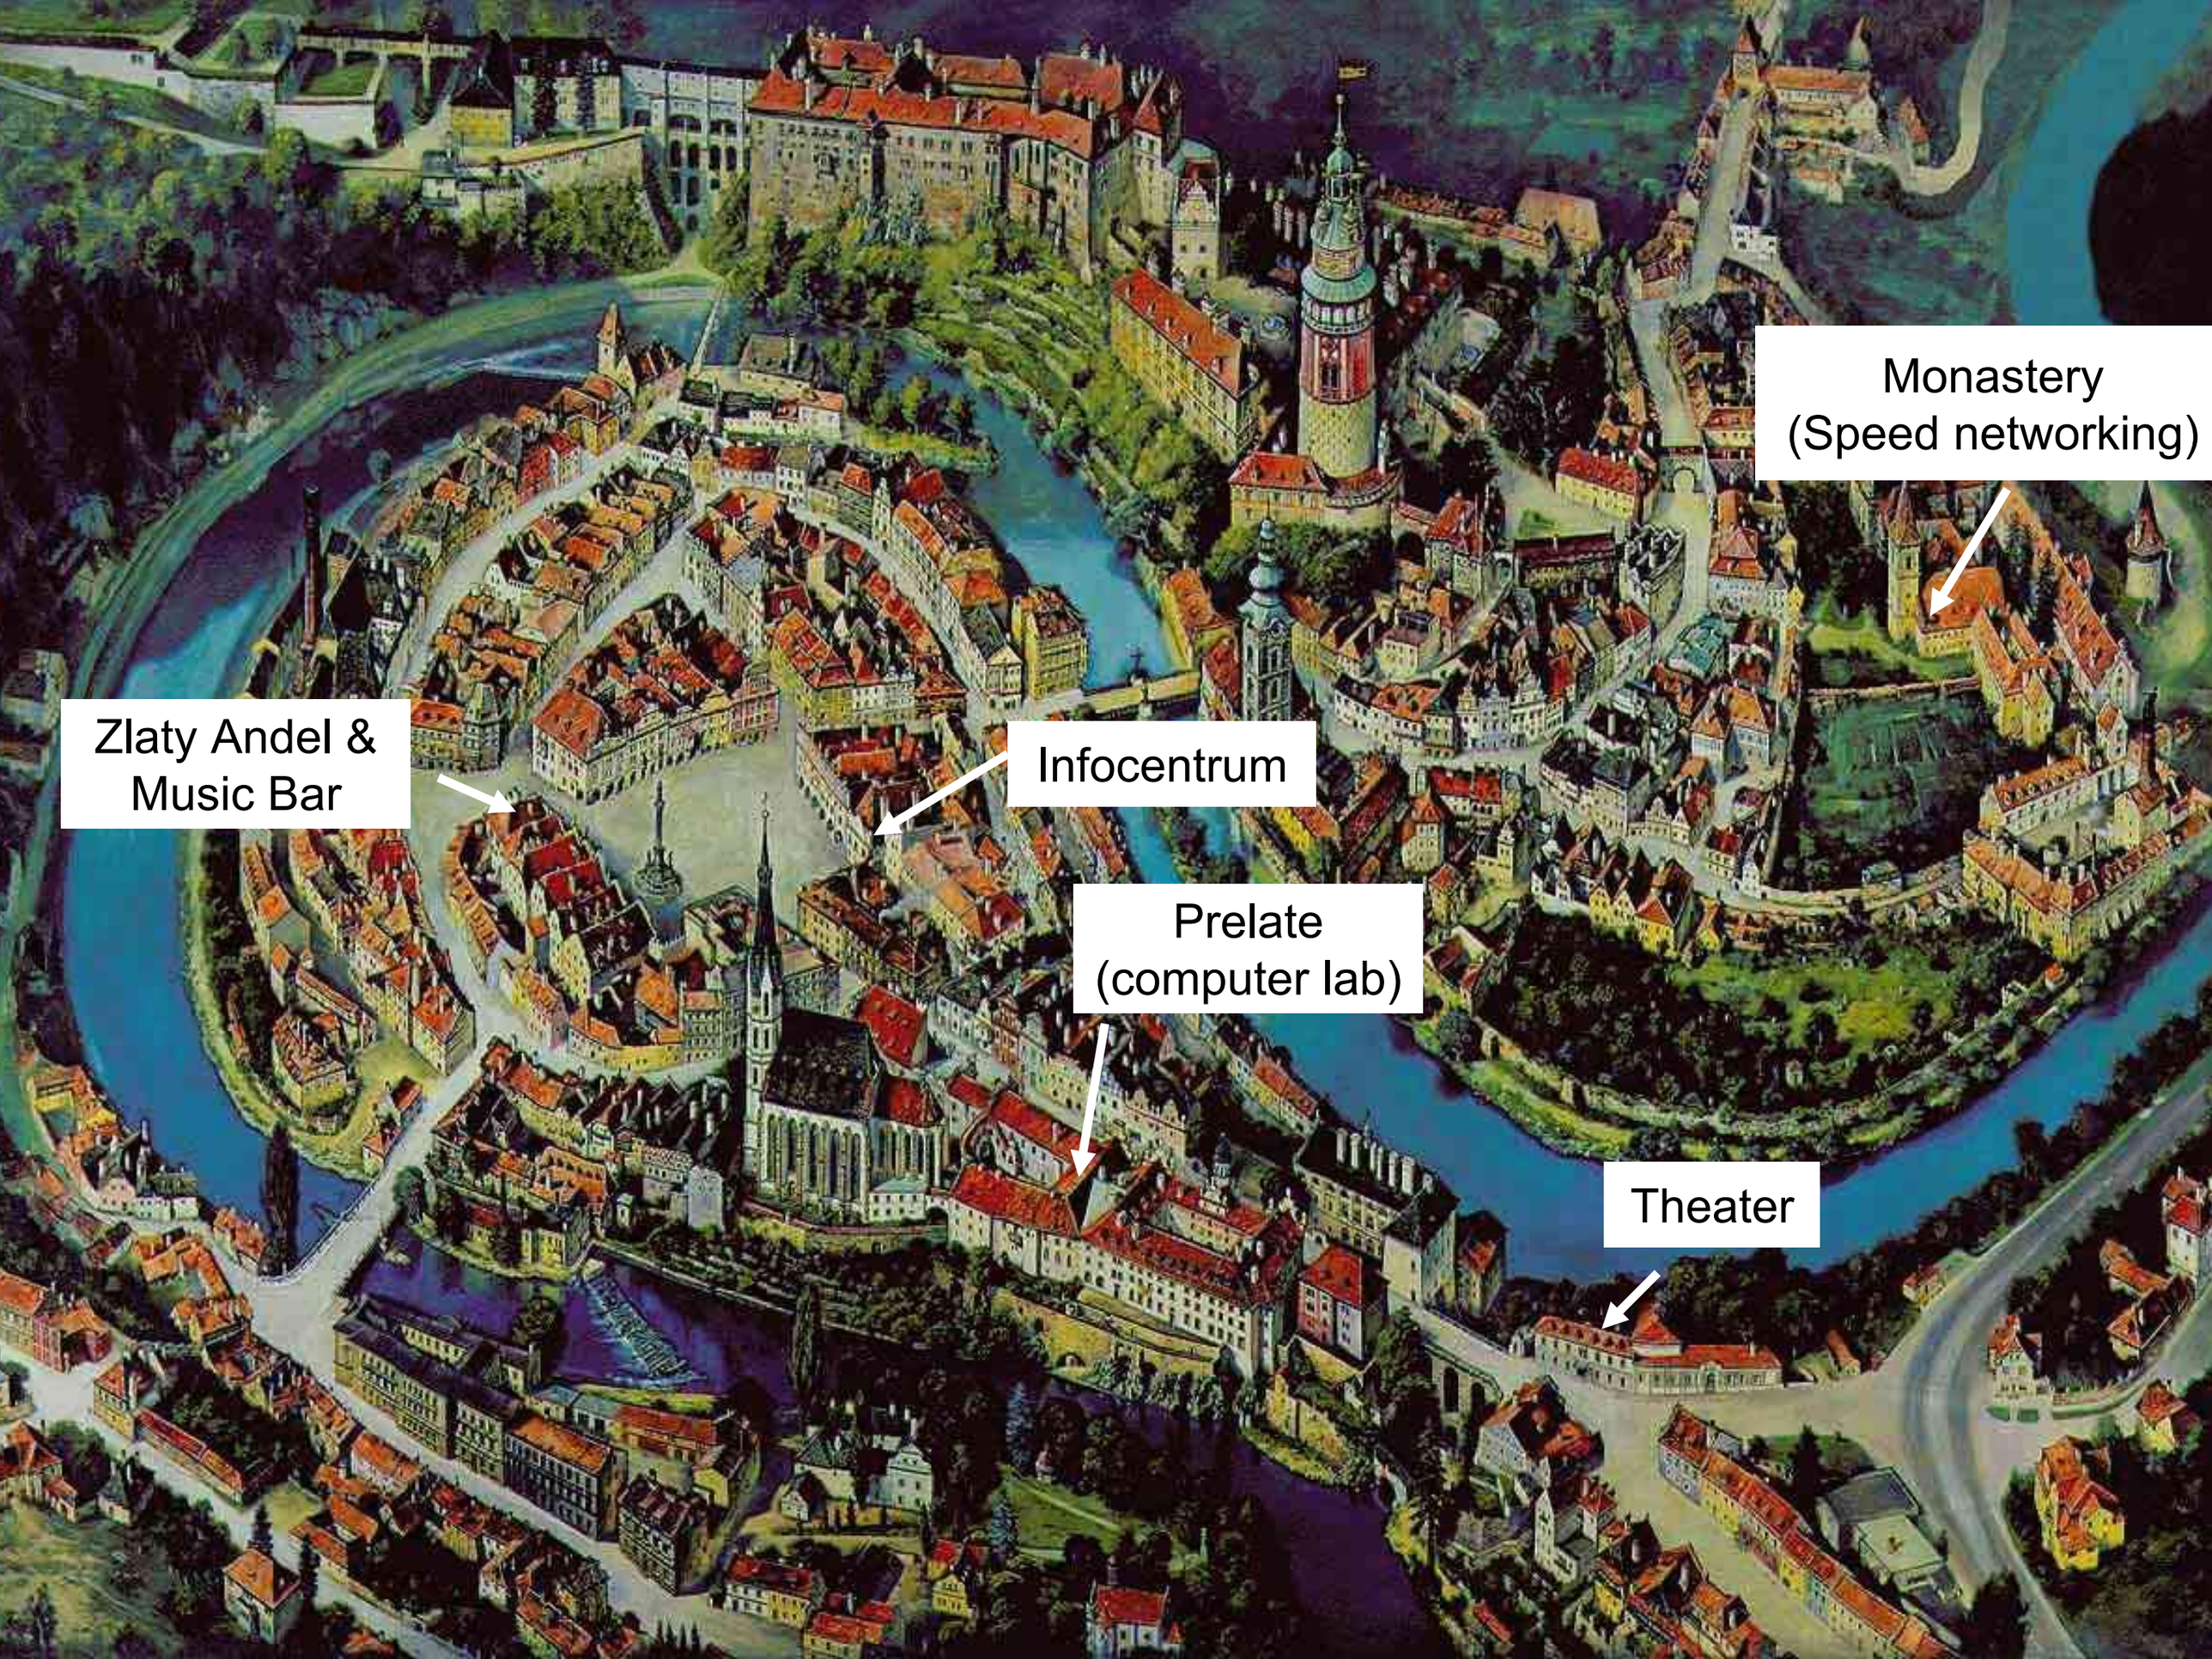
- goals:
  - get to know each other
  - identify shared interests
  - learn approaches and methods other participants work with

wear your name tag!



next

- information from Daniel Kintzl
- group photo
- walk to house of prelate
- Extended 1st day lunch break
- 14:00 (2pm) introduction to lab at Prelate
- 19:15 (7:15pm) speed networking (Monastery – or 19:00 at Infocentrum)



Monastery
(Speed networking)
Zlaty Andel &
Music Bar
Infocentrum
